

# The India-EU Skills Development Project

## Training Objectives

ToT training workshop, Delhi, November 2015

On completion of this workshop you will have improved your ability to:

- ..implement Competence-Based Training (CBT) in accordance with the QPs for TVET trainers
- ..maintain and enhance professional practice and technical competence
- ...support and coach learners
- ...deliver competence based training using different student activity based methods (CBT)

...understand the approaches and methods of professional development of TVET / SD trainers, technical and pedagogical competences of trainers, trainer networks and communities of practice

...act as a multiplier for ToT within your organisation
